

Loan'd

Thinking Longterm

Who we are?

Our solution

Why is it
important?

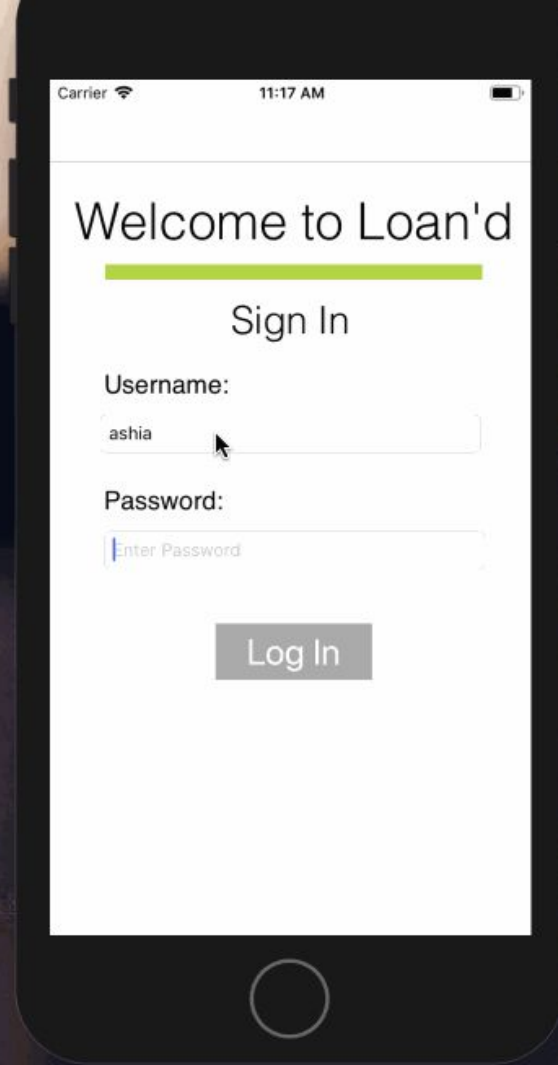

Millennials are the generation with
the most debt.

Millennials have proven to be the
most financially illiterate.

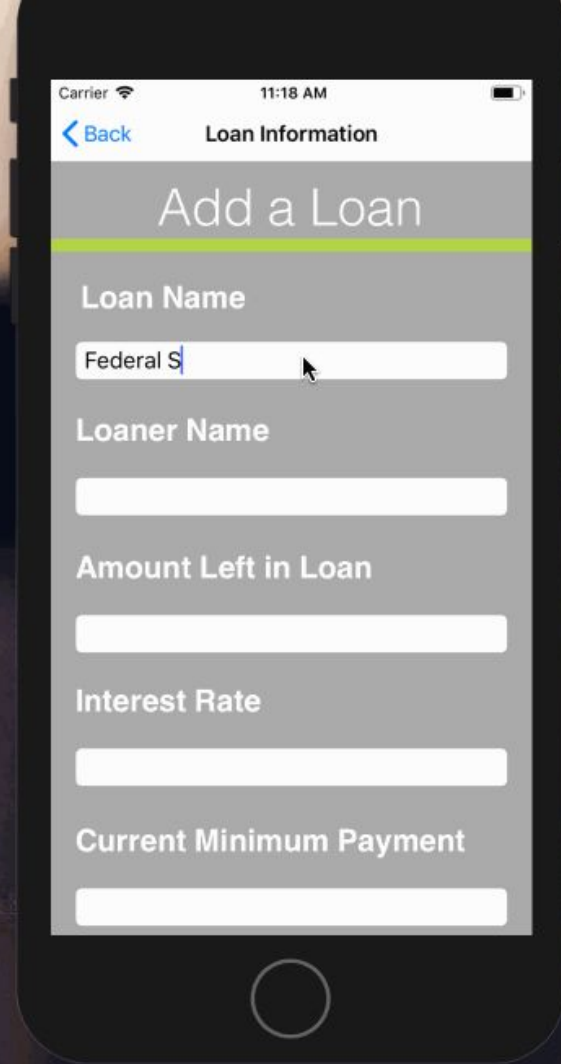

Features for Users

- Add loans to your user profile
- Select a payment plan that suits your goals
- Visualize your progress

Adding a Loan

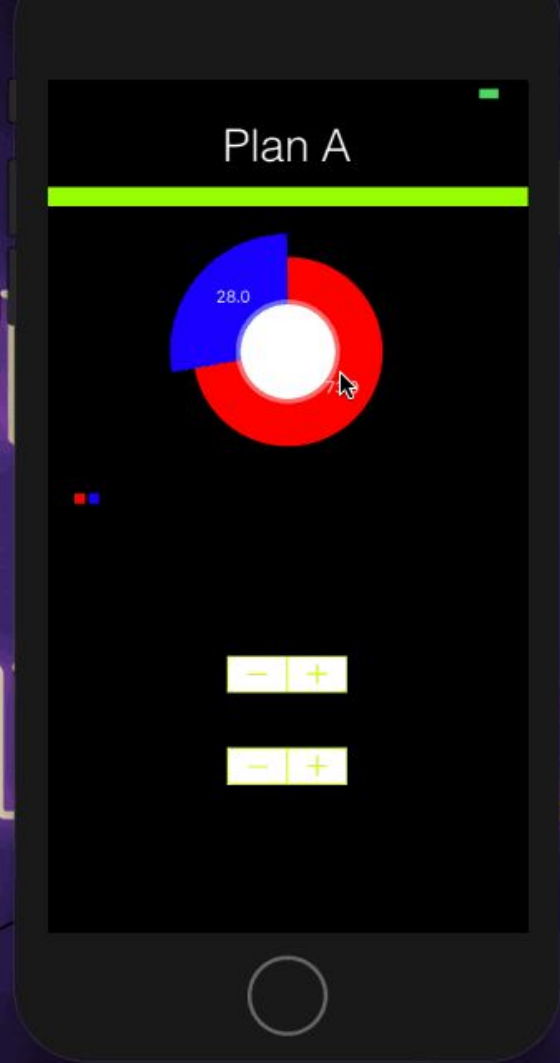

The image shows a smartphone screen with a 'Loan Information' app. The status bar at the top shows 'Carrier', signal strength, '11:18 AM', and battery level. The app's navigation bar includes a blue '< Back' button and the title 'Loan Information'. Below this is a grey header with the text 'Add a Loan' and a green underline. The form consists of five sections, each with a label and a white input field:

- Loan Name**: The input field contains the text 'Federal S' and a cursor.
- Loaner Name**: An empty input field.
- Amount Left in Loan**: An empty input field.
- Interest Rate**: An empty input field.
- Current Minimum Payment**: An empty input field.
